

You

Howards Alias

What do you say when you see me? Or do you wait until I'm gone?

I don't care about you or your beliefs.
Until you wage your war on me
Put this silence on me.

What do you say when you see me? Or do you wait until I'm gone?

I don't care about you or your beliefs.
Until you wage your war on me
Put this silence on me.
