

# Back in the Day Reprise

Howie D

Hey  
Hey

Howie do

Ladies and gentlemen. Boys and girls. Coming back to the stage  
from back in time, the remarkably stupendous, amazingly hilarious,  
us, Howieeeeeeee D!

The monster's gone, and I'm not shy  
I'm never gonna ask, "Which one am I?"  
I say "adios", that means goodbye  
When the school bell rings, now I try to hurry  
And I might be small, but it's no worry  
You can lean on me... Howie D.

Cause I went back in the day  
Back in the day

But I'm not done, it's just the beginning  
This whole trip has got me spinning  
From there to here or here to there  
You and I can go anywhere  
Whatever it is that's getting to you  
Whether you're down or just feeling blue  
We'll find a way to get you through  
And make it right, cause that's how we do!

Back in the day

Back in the day
