

# Going Going Gone

Howie D

Going, going gone  
I'll be  
I'll be  
I'll be  
Going, going gone

I thought you would always be  
The one here by my side  
But this is your chance to show me  
I'm not wasting my time  
I waited so patiently but  
I'm here all alone  
Girl not for very long  
In a moment I'll be gone.

Can I hear you say one time  
That you're the one for me  
Do I hear you say two times  
That you're never gonna leave  
What about three times  
That I'm the one you need  
You know just what to say  
No, I don't have all day.

See you're running out of time  
My heart you'll never win  
When you pay the price  
I thought you might  
So baby in the end  
When all is said and done  
I'll be moving on  
Been waiting for too long  
Now I'm going, going gone  
(I'll be)  
I'm gone  
I'm gone  
I'm going, going gone  
(I'll be)  
I'm gone  
I'm gone  
I'm going, going gone.

Make up your mind  
Better hurry up and decide  
Don't wanna be left  
But you don't know how to be right  
You're gonna regret if  
You're not first in line  
And I'm not there anymore  
In a moment I'll be gone.

Can I hear you say one time  
That you're the one for me  
Do I hear you say two times  
That you're never gonna leave  
What about three times  
That I'm the one you need

You know just what to say  
No, I don't have all day.

See you're running out of time  
My heart you'll never win  
When you pay the price  
I thought you might  
So baby in the end  
When all is said and done  
I'll be moving on  
Been waiting for too long  
Now I'm going, going gone.

See I'm going  
If you don't try then  
You'll never win  
I'll be going  
If you don't speak you  
Know where this ends  
I want you to have my heart  
But you making this so hard  
I can't wait around too long  
I'm going, going gone.

See you're running out of time  
My heart you'll never win  
When you pay the price  
I thought you might  
So baby in the end (baby in the end)  
When all is said and done (and done)  
I'll be moving on (I'll be moving on)  
Been waiting for too long (so long, so long)  
Now I'm going, going gone.

See you're running out of time  
My heart you'll never win  
When you pay the price  
I thought you might  
So baby in the end  
When all is said and done  
I'll be moving on  
Been waiting for too long  
Now I'm going, going gone.  
I'm gone  
I'm gone  
I'm going, going gone  
I'm gone  
I'm gone  
I'm going, going gone.
