

# Don't Mess With Me Baby

Howlin' Wolf

Well the first time I met you, you know I took you as a friend  
You know the first time I met you, you know I took you as a friend  
end

You know I've been like a brother, ever since I took you in

You tried to steal my love, I can't believe that is true  
You tried to steal my lover, I don't believe that is true  
Because all this time, you know I've been a friend to you

Don't bother my baby, that's all I have to say to you  
Don't bother my sweet baby, that's all I have to say to you  
'Cause this way [?] kiss my sugar, will [?] you soon
