Dorothy Mae

Howlin' Wolf

Hurry up people, tell me 'bout Dorothy Mae
Hurry up people, tell me 'bout Dorothy Mae
She left me this mornin', believe she got runaway

Come back, baby, try me one more time
Come back, baby, try me one more time
You got me worried, well, worried mind

Feel like, baby, oh my time ain't long
(I wanna see God, yeah)
Feel like, babe, oh my time ain't long
(I wanna see God, yeah)
Beg you pardon, Lord, I treat you wrong

(Blow Wolf! Blow Wolf!)

Oh Miss Dorothy, baby, don't cry no more
Oh Miss Dorothy, baby, don't cry no more
Tired of you worried babe
Won't you find you some place to go
