

Gettin' Old And Grey

Howlin' Wolf

I'm getting old
I got to look out for my older days
I'm getting old
I got to look out for my older days

I don't want to throw my time away
Your head gonna get grey some day

I'm getting old
I'm gonna get a pad for myself while I'm young

I'm getting old
Gotta put a pad for myself while I'm young

My head is getting grey
What you gonna do about that wolf?
I've got to find me someplace to stay
