

I Ain't Gonna Be Your Dog No More (Acoustic)

Howlin' Wolf

Well I'm going, I'm going
Baby, you know crying won't make me stay
Said I'm going, I'm going, baby
I said crying won't make me stay
Well, the more you cry, baby
The further you drive me away

Well come here and put it here baby
And tell me what you want poor me to do
Well come here and put it here baby
And tell me what you want me to do, oh yeah

I wanna tell you, pretty baby
I won't be your dog no more
I wanna tell you, pretty baby
I ain't gonna be your dog no more, tell about it boy
