She don't want me to worry, she make evry' thing

Lord, she keeps me clean, oh boy she treats me kind
Oh, she keeps me clean, whoa boy she treats me kind
(Well alright!)
Well, she don't want me to worry, always want to pacify
my mind

Lord, she don't want me to cry for nothin', she don't
want me to sit around an worry for a thing
Lord, she don't want me to cry for nothin', she don't
want me to sit around an worry for a thing
Before she stand to see me to worry, what she'll do,
