

I'll Be Around

Howlin' Wolf

Well, I'll be around to see you, baby
Well, I'll be 'round, no matter what you say
Well, I'll be around, yes, I'll be around
To see what you're puttin' down

You know you told me that you loved me
You know you told me and I hope it's true
Well, I'll be around, yes, I'll be around
To see what you're puttin' down

You know I called you in the morning
You know I called you, darling
And send you my prayer
But I'll be around, yes, I'll be around
To see what you're puttin' down

You know I loved you for myself
You know I love you, I don't love nobody else
Well, I'll be around, I'll be around
I don't want you runnin' around
