

## Just As Long

Howlin' Wolf

Just as long  
As you got a good woman  
You got every  
Thing that you need  
Just as long  
As you got a good woman  
You got every  
Thing that you need

Just as long  
You got plenty money  
You got every  
Thing that you need  
Just as long  
As you got plenty money  
You got every  
Thing that you need

You got to live  
From day to day  
No way of knowing  
What the next day will bring  
Keep on living  
Then you will see  
You got to do your thing  
Be what you wanna be

Just as long  
You got a little money  
You got every  
Thing that you need  
Just as long  
You got plenty money  
You got every  
Thing that you need

Just as long  
As you got a little love  
You got every  
Thing that you need  
Just as long  
As you got a little love  
You got every  
Thing that you need

Just as long  
As you got a good friend  
I've got every  
I need  
Just as long  
I've got a good friend  
I've got every  
Everything that you need
