

# Leave Here Walking

Howlin' Wolf

I've been down so long  
I think I'm gon' lose my mind  
I've been down so long  
My friend said I'm gonna lose my mind  
Since you been gone  
Walkin' the street, I'm cryin'

I'm gonna thumb me a ride  
Right down the road I go  
I'm gonna thumb me a ride  
Right down the road I go  
She treat me so evil  
Can't stay here no more

I'm gonna thumb me a ride  
Back down the road I'll go  
I'm gonna thumb me a ride  
Back down the road I'll go  
Treat me so evil  
Can't stay here no mo'

After a while  
You gon' want me like I want you  
After a while  
You gon' want me like I want you  
I'm gon' keep on walkin'  
I ain't got 'nuff for you to do
