

# Message To The Young

Howlin' Wolf

I got something I wanna tell all the young peoples  
I got a message for you  
I just thought that I would take my time  
And rap what you thought of me

There's a lot of things I wanna say  
But I won't be able to say all  
But I can say a little bit  
I wan't you to know  
This comes from the bottom of my heart

There's so much confusion  
Misunderstanding  
Just plain bad rapping  
A whole lot of bad rapping is going on  
But I want you to keep faith  
Believe in yourself  
And believe in your leaders  
Keep this in mind  
Be an old woman  
And be an old man

I got something I wanna tell you  
A lot of people going around  
Talking about people with long hair  
But if you wanna wear your hair long  
Wear your hair long  
If you wanna wear your beard  
Wear your beard  
You wanna mustache  
Wear it  
Not only that  
Wearing the kind of clothes you wanna wear

I got something else I wanna tell you  
You good  
You wanna wear your dresses short  
Go on and wear your dresses short  
I'll appreciate it if no one else dont

Now I got somthing else I wanna tell you  
Now did, now dig this  
So much confusion is going around  
I know you confused  
But remember this  
I'm with you

Sometimes you feel lonely  
And dont know where to go  
Thats why I sing the blues  
Everybody know what im talking about

I feel that way sometimes myself  
I've been playing blues for a long time  
Thats why I sing the blues  
Sometimes I just like to moan  
So when I moan you know what I'm talking about

You see what I'm saying  
You have to think about what I'm saying  
Tell yourself  
So know you be sweet till we meet again  
Keep on loving yourself everybody  
Love your mother and father  
And thanks for letting me talk to you  
You see what I'm saying
