Miss James got big legs  
And she got that natural hair  
When I need love  
She's always there

She got everything I need  
She's able to please  
Staking my claim

Don't have to worry 'bout the weather  
She well put-together  
Like a fine piece of leather, oh yeah

Sure know how to please  
Staking my claim

A great big diamond ring  
Here's the reason why

She know how to love me  
Put no one above me  
I'm staking my claim  
Oh, sugar  
On Miss James
