

# She's Looking Good

Howlin' Wolf

She got a little lovin'  
Make a man lose his mind  
You gotta little somethin'  
Make me know that you're mine

You're looking good, baby  
You're looking good, baby  
You're looking good, baby  
Just like I know you would

You wear your wig, baby  
And your dress is short  
Fine, foxy furs, baby  
When we go out late at night

You're looking good, baby  
You're looking good, baby  
You're looking good, baby  
Just like I know you would

Mama, get your mojo  
Daddy, get your gun  
I'm gonna steal your daughter  
I'm gonna be your son

You're looking good, baby  
You're looking good, baby  
You're looking good, baby  
Just like I know you would
