Smokestack Lightnin'

Howlin' Wolf

Smokestack lightning
Shining just like gold
Why don't you hear me cryin'?

Well tell me baby
Words don't matter you
Why don't you hear me cryin'?

Tell me baby
Where did you spend last night
Why don't you hear me cryin'?

Stop your train
Let a poor boy ride
Why don't you hear me cryin'?

Fare you well
I never see you, you no more
Why don't you hear me cryin'?

Who bit your baby sister?
Since I been gone, a little bitty boy
