

So Glad

Howlin' Wolf

I'm so glad, I'm so glad, I'm so glad
I'm so glad pretty baby I don't have to ask for anything

It makes me proud, It makes me proud, It makes me proud
It makes me proud pretty baby when I don't have to ask for anything

All my life, all my life, all my life
All my life, pretty baby I believed in by myself

I'm so glad, I'm so glad, I'm so glad
I'm so glad pretty baby don't have to ask you anything
