

Watergate Blues

Howlin' Wolf

Hey everybody
Have you heard the news?
The folks at the White House
Got the, the Watergate Blues

Don't do us wrong
If you do, don't make no mistake
'Cause we'll blow the whistle on you
Just like we did to Watergate

Guard walkin' his beat
Checkin' all the dough
Found a little piece of tape
Now the whole world know

Don't do us wrong
If you do, don't make no mistake
'Cause we'll blow the whistle on you
Just like we did to Watergate

I gotta fine place to stay
An' a new pair-a shoes
Tell me how you feel when you got
The Watergate Blues

Don't do us wrong
If ya do, don't make no mistake
Because we'll blow the whistle on you
Just like we did to Watergate
