

## Work For Your Money

Howlin' Wolf

Get your hands on your money  
Mine all while you're gone  
Get your hands on your money  
Mine all while you're gone

I'm gonna leave this town and I  
Ain't comin' back no more

Well, my momma, she don't love me  
Daddy don't love me, no more  
Well, my momma don't love me  
Daddy don't love me, no more

I might leave ya babe  
I'm going down on the coast

Blow...

Well, good bye baby  
If I don't see you, no more  
Well good bye baby  
If I never see you, no more

I want to love you baby  
But you keep driving me from your door
