

# You'll Be Mine

Howlin' Wolf

You so sweet, you so fine  
How I wish, you were mine  
Honey, I'll be your love  
You'll be mine  
You'll be mine  
You'll be mine

You so nice, you so true  
I'm so glad, I love you  
Honey, I'll be your love  
You'll be mine  
You'll be mine  
You'll be mine

Tell me pretty baby, is you gonna try  
If you say it baby, hang on baby, till the day I die

It's so true, I love you  
I don't care, what you do  
Honey, I'll be your love  
You'll be mine  
You'll be mine  
You'll be mine

Tell me, pretty baby, is you gonna try  
If you say it baby, hang on baby till the day I die

That is true, I love you  
I don't care, what you do  
Honey, I'll be your love  
You'll be mine  
You'll be mine  
You'll be mine  
You'll be mine  
You'll be mine
