

## De Selby (Part 2)

Hozier

What you're given  
What you live in  
Darling, it finds a way to live in you  
And your heart, love  
Has such darkness  
I feel it in the corners of the room

(If I was any closer)  
After the gloom  
(I could only lose me)  
I wanna lose me, I  
(If I fade away, let me fade away)  
I wanna fade away with you  
(If I was any closer)  
If I was any closer  
(I could only lose me)  
I could be lost  
(If I fade away, let me fade away)  
No more than I was or than I

Want to be when you fall on me like night  
Every time  
And I want to be so far from sight and mind  
I wanna kill the lights

I wanna run against the world that's turning  
I'd move so fast that I'd outpace the dawn  
I wanna be gone  
I wanna run so far, I'd beat the morning  
Before the dawn has come, I'd block the Sun  
If you want it done

Let all time slow  
Let all light go  
I don't need to know where we begin and end  
I'd still know you  
Not being shown you  
I only need the working of my hands

(If I was any closer)  
You understand  
(I could only lose me)  
I wanna lose me, I  
(If I fade away, let me fade away)  
I wanna fade away with you  
(If I was any closer)  
If I was any closer  
(I could only lose me)  
I could be lost  
(If I fade away, let me fade away)  
No more than I was or than I

Want to be when you fall on me like night  
I wanna kill the lights

I wanna run against the world that's turning  
I'd move so fast that I'd outpace the dawn

I wanna be gone  
I wanna run so far, I'd beat the morning  
Before the dawn has come, I'd block the Sun  
If you want it done

(If I was any closer)  
(I could only lose me)  
(If I fade away, let me fade away)  
(If I was any closer)  
(I could only lose me)  
(If I fade away, let me fade away)

I wanna run against the world that's turning  
I'd move so fast that I'd outpace the dawn  
I wanna be gone  
I wanna run so far, I'd beat the morning  
Before the dawn has come, I'd block the Sun  
If you want it done
