

# Why Would You Be Loved

Hozier

It's only said to be kind the time that you have with love  
You're never told but you're loaned it  
It's a lie, the high that you have with love  
It feels like gold when you hold it  
And know it's sweet, to know when it's gone, baby  
So why, why, why

Why would you be lovin'? Why would you be lovin'?  
Why would you be lovin'? yeah  
And, hey, why would you be loved?  
Mm, hey, why would you be loved?

Now the world falls apart, it starts when they're acting up  
I wouldn't say it, but I blame them  
Bleedin' hearts we are to that other stuff, all the same motivations  
We'll melt away like snowflakes on a tongue, baby  
So why, why, why

Why would you be lovin'?  
Why would you be lovin'?  
Why would you be lovin'? hey  
And, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Mm, hey, why would you, why would you

Why would you play it all on somethin' as hollow as trust (hey)  
What if you gave it all to find that it wasn't enough? (Hey)  
What if under the gaze of 'em, you come short when the goin' gets rough?

Why would you be lovin'?  
Why would you be lovin'?  
Why would you be lovin'? hey, hey  
And, hey, why would you be loved?  
Mm, hey, why would you be loved?

They look for somethin' to be done for those that are most in pain  
What about me and my achin'?  
The scales we hung, the breakin' of hook and chain?  
What about me and my breakin'?  
If you wait so long, how could you try it all, baby?  
So why, why, why

Why would you be lovin'?  
Why would you be lovin'?  
Why would you be lovin'?, yeah  
And, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Mm, hey, why would you, why would you

Why would you play it all on somethin' as hollow as trust?  
What if you gave it all, to find that it wasn't enough?  
What if under the gaze of 'em, you come short when the goin' gets rough?

Why would you be lovin'?  
Why would you be lovin'?

Why would you be lovin'? hey  
And, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Why would you be lovin'?  
Why would you be lovin'?  
Why would you be lovin'? hey  
And, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Mm, hey, why would you be loved?  
Mm, hey, why would you be loved?
