(Heartbroken)

(Be heartbroken)

I'm so tired, tired of waking up without us  
No I'm not alright 'cause I don't know enough about love  
Devastated but I don't even understand why  
So frustrated 'cause I never had somebody that's mine

I wanna know, wanna know, 'cause I'm losing my mind  
I wanna know, wanna know, 'cause I'm losing my mind

I wanna be heartbroken, just to feel it  
Just to feel what love is  
Be heartbroken, just to know it  
Just to know what love is  
Be heartbroken, if I feel it  
If I feel the love  
I wanna be heartbroken just to feel it  
Girl, I need your love so break my heart

(Hey! Oh-oh, oh-oh) So break my heart  
(Hey! Oh-oh)

Never been too deep but I'm drowning here without you  
I don't know what I need but I know I got nothing to lose

I wanna know, wanna know, 'cause I'm losing my mind  
I wanna know, wanna know, 'cause I'm losing my mind

I wanna be heartbroken, just to feel it  
Just to feel what love is  
Be heartbroken, just to know it  
Just to know what love is  
Be heartbroken, if I feel it  
If I feel the love  
I wanna be heartbroken just to feel it  
Girl, I need your love so break my heart

(Hey! Oh-oh, oh-oh) So break my heart  
(Hey! Oh-oh)

I wanna be heartbroken, just to feel it  
Just to feel what love is  
Be heartbroken, just to know it  
Just to know what love is  
Be heartbroken, if I feel it  
If I feel the love  
I wanna be heartbroken just to feel it  
Girl, I need your love

I wanna be heartbroken, just to feel it  
Just to feel what love is  
Be heartbroken, just to know it  
Just to know what love is  
Be heartbroken, if I feel it  
If I feel the love  
I wanna be heartbroken just to feel it

Girl, I need your love so break my heart

(Hey! Oh-oh, oh-oh) So break my heart  
(Hey! Oh-oh) So break my heart  
(Hey! Oh-oh, oh-oh) So break my heart  
(Hey! Oh-oh) So break my heart
