

# Holiday

HRVY

I met this girl on a Monday (ay)  
She took my heart like a valet  
Then like we're birds, she can fly away (ay)  
And now everyday's like a holiday

And we'll sit in the sun all day together  
Flip-flop, cocoa butter, music everyday  
Sunshine, beaches and we'll pretend our love's forever

Holiday (here we go again)  
Holiday (and I'll be with you)  
Holiday (oh na-na na-na na-na na-na)  
Love you like a holiday  
And we'll sing  
Love you like a holiday  
Love you like a holiday

When I started with you everything was oh so simple baby  
Then I got your number then I asked if you would play  
And I know it's precious 'cause our time is on a limit  
Love you like a holiday, ooh

Holiday (here we go again)  
Holiday (and I'll be with you)  
Holiday (oh na-na na-na na-na na-na)  
Love you like a holiday  
And we'll sing  
Love you like a holiday  
Love you like a holiday

Redfoo, lets go  
Yo, when I walk the street  
All the girls drive by and they go beep beep (beep beep)  
Boo, when you with me  
They get real jelly (who the hell is she?)  
Yeah, that's my baby baby  
My ice cream, my favorite flavor  
The icing on my cinnamon roll  
Then when you give me that sugar I go out of control

Holiday (here we go again)  
Holiday (and I'll be with you)  
Holiday (oh na-na na-na na-na na-na)  
Love you like a holiday  
1-2-3, let's go!  
Party Rock!  
Love you like a holiday  
Holiday (here we go again)  
Holiday (and I'll be with you)
