

Magic

HRVY

It's just unbelievable
That I'm who you wanna hold
Wherever you go, -ever you go
At first I was cynical
Now I'm under your control
Wherever you go, -ever you go

I will follow
I will walk the tightrope
Even with my eyes closed, for you (uh)
It's confusion
Must be an illusion
I know I'm just human, but are you?

Do you believe in magic? (Oh-woah-oh)
I never did, but if it exist you have it (Oh-woah)
The way you make all of the pain just vanish (Oh-woah-oh)
The more that I think about it
It would be way too tragic
If you don't believe in magic
If you don't believe in magic

I don't need to fantasize
With your eyes hypnotizing me
They're letting me know, letting me know (oh-oh)
I don't need an afterlife
If heaven is every night (oh-oh)
You put on a show, put on a show

I will follow
I will walk the tightrope
Even with my eyes closed, for you (for you, for you, for you)
It's confusion
Must be an illusion
I know I'm just human, but are you?

Do you believe in magic? (Oh-woah-oh)
I never did, but if it exist you have it (Oh-woah)
The way you make all of the pain just vanish (Oh-woah-oh)
The more that I think about it
It would be way too tragic
If you don't believe in magic
If you don't believe in magic

Under his spell, on the daily
But you're underneath now baby
Can you tell me, tell me, tell me
Just a touch, you drive me crazy
Skin on skin, we're levitating
Can you tell me, tell me, tell me

Do you believe in magic? (Oh-woah-oh)
I never did, but if it exist you have it (Oh-woah)
The way you make all of the pain just vanish (Oh-woah-oh)
The more that I think about it
It would be way too tragic
If you don't believe in magic

If you don't believe in magic

If you don't believe in magic
