I don't know why'd you do this to me
You're so cold
You'd be playing like
Yeah yeah yeah yeah yeah yeah yeah yeah
I got told danger follows everywhere you go
But I still be like
Yeah yeah yeah yeah yeah yeah yeah yeah

This the part where I'm gonna get hurt
I never listened but I didn't deserve it
I was young and she was my first love
So they say that you live and you learn

Like yeah she gon' mess with your head
Oh yeah and she'll flirt with your friends oh yeah
Make you wish you were dead
Every time she moves on she says
Don't take it personal
(Don't take it personal)
Every time she moves on she says

Who else knows
All my friends are blowing up my phone
Something's telling me
No no no no no no no no

This the part where I'm gonna get hurt
I never listened but I didn't deserve it
I was young and she was my first love
So they say that you live and you learn

Like yeah she gon' mess with your head
Oh yeah and she'll flirt with your friends oh yeah
Make you wish you were dead
Every time she moves on she says
Don't take it personal
(Don't take it personal)
Every time she moves on she says

She won't do you no favours
Beautiful but she dangerous
She was only gon' break you
Drive me crazy like
Yeah yeah yeah yeah yeah yeah yeah yeah
She won't do you no favours
Beautiful but she dangerous
She was only gon' break you
Drive me crazy like

Make you wish you were dead
Every time she moves on she says
