

Too Young For This

HRVY

When I stress about my life
I put on a 45
But I don't know if there's a song for this
Shoulda had it figured out
I'm not ready to settle down
Damn, I think we're too young for this

Can we take a minute to
Slow down, slow down
Slow down the universe?
Whole life ahead of us
We're too young for this
We should take a minute to
Slow down, slow down
Two drags and blow a kiss
Pass out and make a wish
We're too young for this

I don't need this nine-to-five
I just wanna feel alive
I just wanna act dumb with it
Ooh yeah, yeah, yeah
Get in trouble and make mistakes till it's all too late
Looking back one day, we'll say
We had fun with it

Can we take a minute to
Slow down, slow down
Slow down the universe?
Whole life ahead of us
We're too young for this
We should take a minute to
Slow down, slow down
Two drags and blow a kiss
Pass out and make a wish
We're too young for this

Ooh yeah, yeah, yeah
Get in trouble and make mistakes till it's all too late
Looking back one day, we'll say
We're too young for this
Ooh yeah, yeah, yeah
Get in trouble and make mistakes till it's all too late
Looking back one day, we'll say
We're too young for this

Can we take a minute to
Slow down, slow down
Slow down the universe?
Whole life ahead of us
We're too young for this
We should take a minute to
Slow down, slow down
Two drags and blow a kiss
Pass out and make a wish
We're too young for this

Can we take a minute to
Slow down, slow down
Slow down the universe?
Whole life ahead of us
We're too young for this
We should take a minute to
Slow down, slow down
Two drags and blow a kiss
Pass out and make a wish
We're too young for this
