

Unfamiliar

HRVY

Stood outside, I need to calm down
My head or my heart, who's in control now?
Foot on the breaks but don't even know how
How to stop, so I say

Just look, don't touch
I don't want the drama
Don't think too much
I don't even bother
Enough is enough
But you're making it harder
You're making it harder
(Okay)

Hey stranger
I'm telling you
Let's keep it unfamiliar
Don't say too much
Don't open up
Let's keep it unfamiliar
Familiar, unfamiliar
Let's keep it unfamiliar
Don't say too much
Don't open up
Let's keep it unfamiliar

Stood on the edge but wanna go deeper
I've practiced enough but I'm not a preacher
On the tip of my tongue, yeah, I'm gonna teach you
To talk with your actions, not with your words

Just look, don't touch
I don't want the drama
Don't think too much
I don't even bother
Enough is enough
But you're making it harder
You're making it harder
(Okay)

Hey stranger
I'm telling you
Let's keep it unfamiliar
Don't say too much
Don't open up
Let's keep it unfamiliar
Familiar, unfamiliar
Let's keep it unfamiliar
Don't say too much
Don't open up
Let's keep it unfamiliar

Don't say too much
Don't say too much
Don't say too much
Don't open up

Don't say too much
Don't say too much
Don't say too much
(Okay)

Hey stranger
I'm telling you
Let's keep it unfamiliar
Don't say too much
Don't open up
Let's keep it unfamiliar
Familiar, unfamiliar
Let's keep it unfamiliar
Don't say too much
Don't open up
Let's keep it unfamiliar
