

Cathy

Hubert Kah

We make it day and night
I sit and watch your sleep
We're taking our time
Don't cry - don't cry
In the shade
I wake

It's me Cathy
Follow my heart
There's nothing
I can't play with you
I'll make you see
Play it again with me
It's me cathy (yes we're going on)
Follow my heart (going on)
There's nothing (we can make it 'til the end of time)
I can't play with you (just say again)
I'll make you see (say that much is true)
Play it again (i'm in you)

Come into my veins
I take it from your mouth
You'll never be the same
Don't cry - don't cry
And I know
I know
It's me cathy
Follow my heart
There's nothing
I can't play with you
I'll make you see
Play it again with me
It's me cathy (yes we're going' on)

Follow my heart (going on)
There's nothing (we got a kind of love bizarre)
I can't play with you (just say again)
I'll make you see (say that much is true)
Play it again (i'm in you)

Cathy
Cathy
The world is in love

It's me Cathy (yes we're going on)
Follow my heart (going on)
There's nothing (because you're in me and I'm in you)
I can't play with you (just say again)
I'll make you see (say that much is true)
Play it again with me (Cathy)
It's me Cathy (yes we're going on)
Follow my heart (going on)
There's nothing (we'll make it 'till the end of time)
I can't play with you (just say again)
I'll make you see (say that much is true)
Play it again (Cathy)
