

Twenty-one
Twenty-one

I've been MIA
Going back to the bay
I've been tryna find myself within
My friends all doing drugs
Making movies, fucking up
And we're loving every part of it

When I shut my mouth
I was lost and found
But that's over now
Take a look at what I've become

I'm twenty-one, I can do what I wanna
Twenty-one, never felt more alive
'Cause you're the one
You're the one that I wanted
You're the one that I need in my life
Stay with me tonight
It's a night to remember
Me tonight, 'cause I'm not young forever
Maybe I'm in lo-love at twenty-one
Twenty-one
Twenty-one

Now I'm here to stay, not the same
Yesterday is a burning picture of the past
Come get lost with me, we'll raise some hell up in the streets
Don't need money, let's just make it last

When I shut my mouth
I was lost and found
But that's over now
Take a look at what I've become

I'm twenty-one, I can do what I wanna
Twenty-one, never felt more alive
'Cause you're the one
You're the one that I wanted
You're the one that I need in my life
Stay with me tonight
It's a night to remember
Me tonight, 'cause I'm not young forever
Maybe I'm in lo-love at twenty-one
Twenty-one
Twenty-one

Oh, we're gonna party tonight
Oh, 'cause you're the love of my life
I said, oh, oh, we're gonna party tonight
Oh, oh, it's time to fuck up our lives

I'm twenty-one, I can do what I wanna
Twenty-one, never felt more alive
'Cause you're the one

You're the one that I wanted
You're the one that I need in my life
Stay with me tonight
It's a night to remember
Me tonight, 'cause I'm not young forever
Maybe I'm in lo-love at twenty-one
Twenty-one
Twenty-one

Twenty-one
Maybe I'm in love, maybe I'm in love
Maybe I'm in love at twenty-one
