

# Cyanide

Huddy

Screaming 'they hate me'  
I love it, call me crazy  
'Cause in the end it's do or die  
So Imma write my name in Cyanide

You want a show?  
Love to see me hurting  
Since I was young you placed a burden  
Sit down  
Try to break me, well I don't care  
I'll be your worst fucking nightmare

Kicking through the door  
Who you lookin' for?  
I'm a figure in the dark that you can't ignore  
And you know I stay on the move  
Different states on the news  
Out for blood and I'm wanting more

In my castle overseas  
I've been working on my legacy  
All these secrets end with me  
So watch me light em up in kerosene  
Screaming 'they hate me'  
I love it, call me crazy  
'Cause in the end it's do or die  
So Imma write my name in Cyanide

3rd eye open  
Gonna rub it in  
Love the way it burns my skin  
Now I'm floating  
Can't you fucking see  
This is who I'm meant to be?  
Yeah

Kicking through the door  
Who you lookin' for?  
I'm a figure in the dark that you can't ignore  
And you know I stay on the move  
Different states on the news  
Out for blood and I'm wanting more

In my castle overseas  
I've been working on my legacy  
All these secrets end with me  
So watch me light 'em up in kerosene  
Screaming 'they hate me'  
I love it, call me crazy  
In the end it's do or die  
So Imma write my name in Cyanide

Write my name  
Begging me to go, til you're begging me to stay  
Write my name  
Pistol to my heart, carve in my grave  
Write my name

Begging me to go, til you're begging me to stay  
Write my name  
Pistol to my heart, carve in my grave  
Write my name

In my castle overseas  
I've been working on my legacy
