

Lost Without You

Huddy

I try to find my way I get further every day
I'm lost, without you

I would walk a thousand miles
Just to talk to you again
Put two axes on my eyes
If you tell me it's the end

I don't know where to go, I don't know what to do, ooh
You're the only thing, never wanted to lose
Rolling back tonight, got another tattoo
I wish that you knew

I try to find my way, I get further every day
I'm lost, without you
Would you take my hand, if I told you where I am?
I'm lost, without you (Without you, ooh, ooh)

I've got nowhere left to turn
Since my heart turned into stone
I would let my bridges burn
If they lead the way back home

I don't know where to go, I don't know what to do, ooh
You're the only thing, never wanted to lose
Rolling back tonight, got another tattoo
I wish that you knew

I try to find my way, I get further every day
I'm lost, without you (Without you, ooh, ooh)
Would you take my hand, if I told you where I am?
I'm lost, without you (Without you, ooh, ooh)
Ooh, ooh
Without you, ooh, ooh
Ooh, ooh

You loved me from the start, am I going insane?
Dying for my bitch, undeniable pain
You loved me from the start, am I going insane?
Dying for my bitch, undeniable pain

I try to find my way, I get further every day
I'm lost, without you (Without you, ooh, ooh)
Would you take my hand, if I told you where I am?
I'm lost, without you (Without you, ooh, ooh)
Ooh, ooh
Without you, ooh, ooh
Ooh, ooh

You loved me from the start, am I going insane?
Dying for my bitch, undeniable pain
