

## No More (Interlude)

Huddy

Every time I look at old photos  
My broken heart gets bulldozed  
And it paves the way for pain  
It's a summer day, but it feels like rain  
I don't know why I look at  
Every god damn photo I ever took of you  
I get drunk and yeah, that's just what I do  
I know you're gone now, it's fucking hard now  
And I wish I never would've had a heart now  
'Cause it's dark out, yeah, it's dark as night  
But when it's light out, it's so dark inside my eyes

I don't wanna see your face  
I don't wanna be insane  
I don't wanna feel the pain no more, no more  
I don't miss the way it was  
Always feelin' numb because  
I don't wanna be in love no more, no more

I'm fucked up  
I don't know what's wrong with me  
I'm fucked up  
That's why no one's calling me

I don't wanna be in love  
I don't wanna be in love  
I don't wanna be in love no more, no more  
I don't wanna be in love  
I don't wanna be in love  
I don't wanna be in love no more, no more
