One in a Million

Hudson Taylor

You're one in a million
You're one of a kind
To tell you the truth
I think I'm losing my mind
Won't you let me go
Let me go
Let me go

You want a decision
So make up your mind
You gotta be cruel
If you wanna be kind
Let me go
Let me go
Let me go

You
You don't care that much for me
You don't care that much at all
At all
At all

I
I'm not sure if you'll agree
I'm not sure if you believe
In me
At all

And I'm starting to question
Yeah what are we doing?
Who are we fooling?
You said you were leaving
Now why aren't you setting me free

Why won't you let me go
Why won't you let me go

Why are we waiting
For what's gonna come
You said you were leaving
Now why aren't you setting me free

Why won't you let me go
Why won't you let me go

I'm sick of denying
I'm bored of the rules
The smoke and the mirrors
We're acting like fools
Let me go
Let me go
Let me go

You want a reaction
You're pushing your luck
I'm not getting angry
I'm just giving up

Let me go
Let me go
Let me go

But you
You don't care that much for me
You don't care that much at all
At all
At all

And I'm starting to question
Yeah what are we doing?
Who are we fooling?
You said you were leaving
Now why aren't you setting me free

Why won't you let me go
Why won't you let me go

Why are we waiting
For what's gonna come
You said you were leaving
Now why aren't you setting me free

Why won't you let me go
Why won't you let me go

I don't know what this is
It don't feel like it did before
I got tired of waiting
I moved on
But you never meant it
When you said "it was amicable"

What are we doing?
Who are we fooling?
You said you were leaving
Now why aren't you setting me free

Why won't you let me go
Why won't you let me go

Why are we waiting
For what's gonna come
You said you were leaving
Now why aren't you setting me free
