

Setting Sun

Hudson Taylor

Ooh

Ooh

Followed the river and the setting sun
I don't know how but I think it kinda saved me
From all the ways of wasting time
I forgot about the world I know
And watched my worries as they all just flow down stream

I know why that I was sad before
I had it all but I wanted more
And when I think about everything I've done
I'd trade it all for this setting sun

Ooh

Ooh

I saw the circle and I saw the ring
Started to cry when I thought of what you made me
The mastermind of my whole life
I remember that we're all the same
Trying to survive in the game we can't win

Life is like a revolving door
Round and round until you can't no more
A life of scars, a life of fun
I'd trade it all for this setting sun

Ooh

Ooh

Ooh

I noticed a change
When it all went away
And I'm reminded every day that it comes
I'd trade it all for this setting sun

Ooh
