

You're Not Alone

Hudson Taylor

Couldn't breath, I couldn't sleep,
You're lying here next to me,
My heart goes on sale every once in a while,
So buy me out and set for sea.

Leave your doubt on shore,
And we'll sail alone,
Bring your love aboard,
And I'll bring you home.

'Cause you need to know,
That you're not alone,
And I wanna show you the thoughts I can't put into words,
So you know, just how I feel, just how I feel.

I couldn't lie here all alone,
I couldn't take it so you know,
My words turn to thoughts every once in a while,
You trigger thoughts I can't control.

Leave your doubt on shore,
And we'll sail alone,
Bring your love aboard,
And I'll bring you home.

'Cause you need to know,
That you're not alone,
And I wanna show you the thoughts I can't put into words,
So you know, just how I feel.

Take my hand and I'll take yours,
Don't be nervous, don't be causious,
And if it's love that's driving me to you, oh,
You know I'll find it you know I'll need it.

'Cause you need to know,
That you're not alone,
And I wanna show you the thoughts I can't put into words,
So you know...

'Cause you need to know,
That you're not alone,
And I wanna show you the thoughts I can't put into words,
So you know, just how I feel.
