

Fire

Hudson Thames

Time
Can't get it on your side
It hits you like a thunder, wonder
Try anything you like
And you
You think you know the truth
I'm young enough to make it, take it
Murder whoever I choose

Cause all I need
Is room to breathe
All I need
Is you to see

Cause I got plans and they ain't with you
You hold me down, but I break right through
I'm up and away
Ain't gonna tame this fire
Like my style, can't get enough
Take your time cause I don't need luck
I'm up and away
You couldn't take me higher
So come and stand next to my fire, woah, woah
Come on and stand next to my fire, woah, woah
Come on and stand next to my fire

Real
I'm gonna show you how I feel
To cut through all the bullshit, lose it
Shock 'em like electric eels
And one day
You're gonna wake up on a Sunday
Feelin' scared and insecure, I'm breakin' down your door
Ain't nobody playin' for you anymore

Cause I got plans and they ain't with you
You hold me down, but I break right through
I'm up and away
Ain't gonna tame this fire
Like my style, can't get enough
Take your time cause I don't need luck
I'm up and away
You couldn't take me higher
So come and stand next to my fire, woah, woah
Come on and stand next to my fire, woah, woah
Come on and stand next to my fire

21
Born in a fire, I burn like the Sun
21
One life's over, another begun
Turn and run
Kinda like a knife but I hit like a gun
21
One life's over, another begun

Cause I got plans and they ain't with you

You hold me down, but I break right through
I'm up and away
Ain't gonna tame this fire
No you ain't gonna tame it
Like my style, can't get enough
Take your time cause I don't need luck
I'm up and away
You couldn't take me higher
So come and stand next to my fire, woah, woah
Come on and stand next to my fire, woah, woah
Come on and stand next to my fire
