

Mema's Interlude

Hudson Thames

You know it's been a red hot minute since I've been in it
Since I had a dollar to spare or a fuck to be given
I've been hearing "Time Time Time" hitting the limit
I just wanna take this ride and whoever is with it we'll be singing

Ooh
Ah
We'll be singing
Ooh
Aah

I just fuckin' lost my deal I'm happier for it
I've been making shit that's real and damn it's euphoric
Leaning on my sex appeal's pathetically boring
I just want a home cooked meal and a genuine story
Now I'm singing

Ooh
Aah
Now I'm singing
Ooh
Aah

Ooh
Ah
We'll be singing
Ooh
Aah

Ooh
Now I'm singing
Aah
We'll be singing
Ooh
Aah

Ooh
Ah
We'll be singing
Ooh
Aah

Ooh
Ah
We'll be singing
Ooh
Aah
