

Take Your Time

Hudson Westbrook

Girl, I booked it from Austin to Houston
And three hours of highway is a small price to pay for one night at your place
Girl, I'd make this drive every weekend
Your friends might say that it's just a phase, but I'm all yours to take, so

Take your time taking mine
Cuz when I'm with you all it wants to do is just fly on by
Take all that I have, all that you can I don't mind
Just take your time taking mine

I hope I've got a lot of years left in me
If you want they're all yours to take
12 years makes a damn fine whiskey
I hope this thing between you and me hits 50 one day

So take your time taking mine
Cuz when I'm with you all it wants to do is just fly on by
Take all that I have, all that you can I don't mind
Just take your time taking mine

So take your time taking mine
Cuz when I'm with you all it wants to do is just fly on by
Take all that I have, all that you can I don't mind
Just take your time taking mine
Yea, every tick of this watch on my wrist is yours all night
So take your time taking mine
