

Two Way Drive

Hudson Westbrook

How's the weather been treatin' you out in Fort Worth?
I've been in Lubbock for a little bit of time
Attendin' TTU and I've been missin' you and workin' for a friend
of mine

How's the stockyards, did he finally steal your heart?
Buyin' rounds, and I heard that you've been down and out
Meanwhile I've been spendin' all my time
Down at the Blue Light

Driving I-30, I heard you been getting dirty
With a man you met down on 6th street
It's been a while since you've taken a drive with me
Come sit at a bar stool next to me
I'll buy you a drink, buy you a drink

You're too far, I'm at an empty bar
And I swore that I saw your car
I could drive those white lines
And tell you what's been on my mind
Lubbock to Fort Worth is a two-way drive
And you ain't mine

I've been breakin' bulls and sendin' 'em out to south Fort Worth
Be there in a week or two, you can take me for what I'm worth
And I'd love to maybe finally see your face
Plead my guilt and make my case, I'll do whatever it takes

You're too far, I'm at an empty bar
And I swore that I saw your car
I could drive those white lines
And tell you what's been on my mind
Lubbock to Fort Worth is a two-way drive
And you ain't mine
You ain't mine

You ain't mine
