

# I Got Caught Dancing Again

Hues Corporation

You were just within my reach  
And I got caught dancing again  
You were right next to my heart  
And I got caught dancing again

Why did you look my way  
It was just another dance  
Why did you turn away  
Can I have a second chance

I thought when you walked over my  
Way the world was so good (so good) again  
But you passed me by, sad (sad) was I  
'Cause you walked out of my reach, out of my heart  
Out of my reach, out of my heart  
And I was left with a life that was lonely from the  
start

Why did you look my way  
It was just another dance  
Why did you turn away  
Hoo, baby, can I have a second chance

I thought when you walked over my  
Way the world was so good (so good) again  
And you caught my eyes, glad was I (glad was I)  
'Cause you walked into my arms, into my heart  
Into my heart, into my heart...  
(till fade)
