Could You Be the One?

Hüsker Dü

Could you be the one they talk about?
Hiding inside, behind another door?
Is it only happiness you want?
Does wanting a feeling matter any more?

It doesn't mean that much to me
Sometimes I don't mean that much to you
And I don't even know what I'm hiding for

And I don't even know what I'm crying for
Don't even know what I'm hiding for

Could you be the one they talk about?
Life is a game that only you can make
Maybe I'm about to throw it out
I've given it all, that's all I can take

Could you be the one
Could you be the one
Could you be the one that's hanging all around

Don't even know what I'm hiding for
Don't even know what I'm crying for
Don't even know, could you be the only
Broken hearted one
