

Deadly Skies

Hüsker Dü

Deadly skies

Deadly night dreams

Well it's no lie

To say what I've seen

I've seen the end

Of the grand scheme

'Cause we all die

By our worst means

I like to protest, but I'm not sure what it's for

I guess I've got no control over the threat of nuclear war

I made a sign to carry to show that I really care

I've heard it does some good if the television people are there

Dead trees, dead leaves, deadly skies
