

## These Important Years

Hüsker Dü

Well, you get up every morning  
And you see, it's still the same  
All the floors and all the walls  
And all the rest remains  
Nothing changes fast enough  
The hurry, worry days  
It makes you want to give it up  
And drift into a haze

Revelations seems to be another way  
To make the days go faster anyways

We're all exchanging pleasantries  
No matter how we feel  
And no one knows the difference  
'Cause it all seems so unreal  
You'd better grab a hold of something  
Simple but it's true  
If you don't stop to smell the roses now  
They might end up on you

Expectations only mean you really think you know  
What's coming next, and you don't

Yearbooks with their autographs  
From friends you might have had  
These are your important years  
You'd better make them last  
Falling in and out of love just like...  
These are your important years, your life

Once you've seen the light, you finally  
Realize it might end up all right  
It might end up all right now
