

# Pop, Lock, And Drop It

Huey

Toot that thang up mami, make it roll  
Once you pop pop, lock it for me girl get low  
If yo mama gave it to you baby girl let it show  
Once you pop, lock, drop it for me maybe we could roll, oh

Pop, lock and drop it  
Pop, lock and drop it  
Pop, lock and drop it  
Pop, lock and drop it  
Pop, lock and drop it  
Pop, lock and drop it  
Pop, lock and drop it  
Pop, lock and drop it

Tonight it's gon' be some changes  
No acting sady  
So stop acting and get it clappin'  
'Cause I'm knowing you feeling me

Yeah you cute  
But don't let that sh\*\* go to yo head  
'Cause what this cutie won't do pimpin'  
Another one will

You prepared, rockin' a skirt  
And ya heels so tall  
And we ain't wit none of that tricking  
But our bills so tall

I been peepin' you fo a while  
And you throwin' it back  
If you lookin' fo you a balla  
We got dough in da back

Look yo color Carmelo brown  
And yo skin so smooth  
I'm havin' fantasies about  
What you and me can do

And you a undacover freak  
You probably thinking da same  
I'm seein' light up on yo face  
Because you peepin' my chain

And I ain't tryna put you out there  
As if you a freak  
So don't even take it that way  
Jus' say you did it fo' me

And yeah you probably roll wit me  
'Cause it's money in my pockets  
So before then  
I gotta see you pop, lock and drop it

Toot that thang up mami, make it roll  
Once you pop pop, lock it for me girl get low  
If yo mama gave it to you baby girl let it show

Pop, lock and drop it

Make it roll to da left, left  
Roll to da right, right  
Pop, lock and drop it  
Get low a'ight

Make it roll to da left, left  
Roll to da right, right  
Pop, lock and drop it  
Get low a'ight

It ain't tricking if you got it  
We got it but I ain't givin'  
Just bounce it and roll wit it  
And maybe you'll roll wit us

It ain't tricking if you got it  
We got it and I ain't givin'  
Just bounce it and roll wit it  
And maybe you'll roll wit us

Pop, lock and drop it  
Now pop, lock and drop it fo me  
Pop, lock and drop it  
Say pop, lock and drop it

Now what's yo name girl?  
Neva mind, neva mind  
Do you thang girl fire  
You ain't neva lied

What's yo name girl?  
Neva mind, neva mind  
Do you thang girl fire  
You ain't neva lied, oh
