

# Bad Timing

Hugo Helmig

Two ain't a solution  
We're throwing shade from the same cloud  
I'm getting bored of devotion, mmh  
Maybe see you when I come down, down

But I'm glad that I did it  
I was hoping for something else, though  
Doesn't feel like we're winning  
I've been wasting your time 'cause don't like  
Changing at all

Right now, so  
Finish up your degree 'fore you see me  
Don't wanna be enemies  
You got a lotta big plans  
And so do I (and so do I)  
We set out too soon, now I need some room  
And I'm tired of my attitude  
Hit me up in five years  
'Cause we got time

It was just bad timing, oh yeah  
It was just bad  
It was just bad

But I'm down for whatever (down, down for it)  
Think we both need some time to grow up  
No, it won't take forever  
'Cause you know I don't like to be alone

Don't wanna stall my life anymore  
Don't look back 'cause the best is gone  
I know exactly how I'm supposed to feel  
But I don't feel it at all

Right now, so  
Finish up your degree 'fore you see me  
Don't wanna be enemies  
You got a lotta big plans  
And so do I  
We set out too soon, now I need some room  
And I'm tired of my attitude  
Hit me up in five years  
'Cause we got time

It was just bad timing, oh yeah  
It was just bad  
It was just bad

Yeah  
It was just bad  
Yeah  
It was just bad  
(It was just bad  
It was just bad  
Bad timing)

I told you, "Wait for me, it ain't fair"  
All the way but we got nowhere  
It was just bad  
It was just bad  
I told you, "Wait for me, it ain't fair"  
All the way but we got nowhere  
It was just bad  
It was just bad
