

Promise

Hugo Helmig

Are you awake? I'm walking down your road again
There's something that I wanna say to you right now if it's alright
My mistakes are suddenly keeping me awake
Dancing around on memory lane, it's driving me insane

I won't lose you like I used to before
And I'm gonna choose to be around a little bit more
I promise you that
Yeah, I promise you that, I promise you that

I lay down my weapons
I can't fight it anymore
I'm not a one-man army
So I'm coming around for you if it's alright

I won't lose you like I used to before
And I'm gonna choose to be around a little bit more
I promise you that
Yeah, I promise you that, I promise you that

I won't lose you like I used to before
And I'm gonna choose to be around a little bit more
I promise you that
Yeah, I promise you that, I promise you that
