

# Don't Play Cheap

Hulvey

Yeah, alright

Don't play cheap  
Can't waste no time sittin' back, get off your feet (Ooh)  
It feel like time been rollin' (Ooh)  
Whippin' through the city on the West side  
Yeah, I'm done with the stressin' and the best times  
I'ma pull up to the beach with the blue skies  
Came from the Wick, yeah, it's a new time, time  
Lemme take it back, I was sleeping in my class  
Yeah, everything done changed in the flesh, yeah  
I ain't worried 'bout a Rollie on a wrist, yeah  
That's cheap, I'm worth way more than my check last week  
Takin' in game from all the OG's  
Learning this life ain't really 'bout me, yeah, yeah

Slow down, take a breath  
Don't forget you're blessed  
Stop trying to figure out what's next  
Let that weight fall of your chest  
Know your worth and don't play cheap  
Oh, no, oh, no, oh, woah  
Don't play cheap  
Oh, no, oh, no, oh, woah  
Don't play cheap  
Oh, no, oh, no, oh, woah  
Don't play cheap

Ayy, just in Atlanta, had to touchdown  
How to watch my flight in a rush now  
Uh, now I'm sittin' in a plane and the seats too tight  
Thank God I'm in H-town  
Don't play cheap, got my girl in the car with the gas on E  
Ridin' down the block, we gon' vibe to the beat  
There's so many things that we gotta see  
Let me take it back way before I wrote these raps  
Yeah, I'ma keep my faith in the valley  
Can't take my drive like a valet  
I couped up, now I'm souped-up  
I gotta good God, I don't need good luck  
Don't let that stress on you  
God only wants what's best for you

Slow down, take a breath  
Don't forget your blessed  
Stop trying to figure out what's next  
Let that weight fall of your chest  
Know your worth and don't play cheap  
Oh, no, oh, no, oh, woah  
Don't play cheap  
Oh, no, oh, no, oh, woah  
Don't play cheap  
Oh, no, oh, no, oh, woah  
Don't play cheap  
Don't play cheap  
Can't waste no time sittin' back, get off your feet

Don't play cheap  
Can't waste no time sittin' back, get off your feet  
Know your worth and don't
