What's temporary to eternal?  
Eternal (Tomorrow ain't promised)

But His love is  
Can't pull up to heaven askin' God where my stuff is  
Sittin' down, thinkin', starin' at the trees  
Seasons come and go, but You don't ever leave, You never leave, uh  
Holes in His hands for the holes in my heart  
Without His blood shed for me, I'd be stuck in the dark  
I'm just bein' who I'm made, I ain't playin' no part  
If You searchin' for fulfillment, He ain't far

What's temporary to eternal?

What's temporary to eternal?  
Eternal, yeah

They gon' tell ya 'bout gettin' a job  
I'ma tell ya 'bout gettin' with God  
I know the One who oversees  
I ain't talkin' 'bout study abroad  
They gon' tell you 'bout gettin' a raise  
We gon' tell you 'bout the One who raised  
They gon' tell you 'bout they blessings  
We gon' tell you 'bout the One who gave  
Everything gon' fade, all the money you made  
All that Netflix that we watchin', goin' straight to the grave  
And when it's all gone  
I know I'll be home

Eternal, let's go

I'm like, "Ayy, what's up?" uh  
Glory to the God who created us  
Got His Spirit in me, life is more than okay  
Yeah, I'm washed by the blood, it's a new day  
So let's all say Jesus comin' back, back, comin' back, back again  
Back, back, comin' back, back (Yeah)  
Jesus comin' back, back, comin' back, back again  
Back, back, comin' back, back
