

# Nothing Without Jesus

Hulvey

Where would I be without Jesus?  
Where would I be without Jesus?  
I'm nothing without Jesus  
I'm nothing without Jesus

While I was Your enemy  
You chose to be a friend to me  
It don't make no sense to me  
With every sin I committed, You could've ended me  
It's amazing You've forgiven me, uh  
For everything that I done  
When I look at my past, He told me, "Boy, look forward and just run  
Because I've overcome", You overcame  
Always wonder why I've found all that beauty in the rain  
Maybe it's because you done washed away my stains  
Every single thought that had me feeling so ashamed  
It's finished, every single blemish  
Imagine Christ gasping on the cross in His final minutes  
What a price He paid  
All praise to the Lamb who was slain

Where would I be without Jesus? (You defeated the grave)  
Where would I be without Jesus?  
I'm nothing without Jesus  
I'm nothing without Jesus  
Where would I be without Jesus?  
Where would I be without Jesus?  
I'm nothing without Jesus  
I'm nothing without Jesus

You know, when I talk about being delivered from my sin and being free from  
all of my shame  
Um, that's not just for me  
And Jesus died for you to experience the same thing  
And He died so that you'd be free  
So for anybody that just feels the shackles and chains  
Jesus has paved the way for you to know God  
For real

There's nothing that you could have done  
To keep you from the One  
Because of the only Son  
Woah-oh-oh-oh  
There's nothing that You could have done  
To keep you from the One  
Because of the only Son  
Woah-oh-oh-oh

I was struggling with having these random thoughts, uh  
Just dark thoughts, things that I'd never do  
And I just watched Jesus literally free me from that

God constantly reminds me that I don't need to try to be something else  
Because my authentic form is what makes me beautiful  
He set me free  
A lack of self worth  
Being molested as a teenager

By a babysitter that was supposed to be there to love me and instead gave me  
a counterfeit  
He set me free from that shame  
Jesus has shown me that the things of this world truly do grow strangely dim  
Once you choose to follow Him  
I used to chase the world and want everything it had to offer  
And now, I see that true joy comes from Jesus and not the world  
Jesus has freed me from pornography addiction, drug addiction, anger, anxiety,  
depression  
Yo, Jesus has freed me from weed, pornography, selfishness, pride  
Ayy, what's good?  
Jesus has freed me from arrogance, He freed me from pride  
He freed me from self righteousness, hate  
Jealousy, comparison and now I'm walking with Him  
He just freed from having to work to be righteous  
Like it's impossible  
I don't have to be better, do better  
Know more, understand more  
Or be right in my own eyes or anything like that  
I get to just be and rest and abide in Him  
Because He did everything that I couldn't do  
God has set me free from the constant addiction of pornography  
God has set me free from the addiction of smoking and doing drugs  
Everyday having to do the same thing to just be able to function and make it  
through  
He set me free from having to put my hope in such a false counterfeit  
Such as the world  
Thinking that other people and systems will solve my problems  
Right now, I feel like Jesus is teaching me to just pause and celebrate  
A lot of times I don't celebrate victories, because once I reach a milestone  
or a goal  
I fix my eyes towards the next goal and I begin striving  
Something that God has saved me from is addiction  
And I'm freer than ever now  
So just glory to God
