I said, "Yessir"  
Boy, you know we ridin' like a Teslar  
I'ma get my cheese but break that bread first  
I'm on all my life goin' head first  
Huh, I'm like, "Yessir"  
Boy, you know we ridin' like a Teslar  
I'ma get my cheese but break that bread first  
I'm on all my life goin' head first  
Huh, I'm like, "Yessir"

I'm like, "Yessir" (Yessir), huh, I'm divin' head first, huh (I'm divin' head)  
I'm 'bout to take a sabbatical, huh, everything seemin' so radical (Yeah)  
I just gave up my life for collateral (I just gave up), you know 'Vello he t  
hrew me the lateral (You know 'Vello)  
Rockin' this [?] (I'm rockin'), you know we keepin' it [?] (I'm cool)  
You know we keepin' it cordial (Cordial), I made a prayer in the back of the  
field (I made a prayer)  
You know I know how I feel (You know I know), uh, I'm from the trenches wher  
e it gettin'  
Where they gon' shoot for the kill, pray they don't put me on shirt (I pray)  
Gotta feed my family first (Gotta feed), tryna break my family curse (Yeah)  
Racks, buss it, straight out the pack, they told me I gotta go get it, I got  
it  
I'm standin' tall 'cause I know that he proud of me  
Only relax 'when he tell me he proud of me (Yeah)  
I cannot finish I gotta keep goin'  
I gotta keep goin' up, make a way  
I gotta keep goin' up 'til I'm paid  
Finding my purpose

I said, "Yessir"  
Boy, you know we ridin' like a Teslar  
I'ma get my cheese but break that bread first  
I'm on all my life goin' head first  
Huh, I'm like, "Yessir"  
Boy, you know we ridin' like a Teslar  
I'ma get my cheese but break that bread first  
I'm on all my life goin' head first  
Huh, I'm like, "Yessir" (Just let it go)

Hol' up, me and Breeze pulled up in a Teslar (I pulled up)  
It's autopilot, Spirit drivin', He the usher (Jesus take the wheel)  
Yeah, my mind was in the ice like a custard ('Tard)  
We sing praises to His name, uh, uh, yeah  
Hop out this mug goin' dumb, boy, I know I cannot go back to the past (Back  
to the past)  
I was inside of the Wick feelin' like I was finna go crash (Finna go crash)  
Hop on the road, I was losing my soul, I was goin' too fast, uh  
I'm writin' this letter for people they feel like they gotta come back  
Flashing lights was in the way  
I couldn't even see my lane  
Take the wheel and give me grace (Give me grace)  
It's never too late

I said, "Yessir" (Yessir)  
Boy, you know we ridin' like a Teslar (Just like a Teslar)  
I'ma get my cheese but break that bread first (He broke the bread first)  
I'm on all my life goin' head first  
Huh, I'm like, "Yessir" (What you 'bout?)  
Boy, you know we ridin' like a Teslar (We ridin')  
I'ma get my cheese but break that bread first  
I'm on all my life goin' head first  
Huh, I'm like, "Yessir"

I told that boy Breeze, pull up in a Teslar  
They gon' have to ask the Spirit what that mean Breeze  
In a Teslar  
Uh-uh-uh-uh
